Fishing for Father's Day

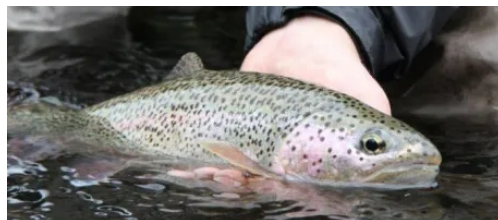

The mighty Fraser River is the main artery of millions of migrating salmon. This river is also, home of the white sturgeon, a monster fish that can grow to over one thousand pounds and can live up to 200 years. Come discover the pristine Harrison River, the first designated Salmon Stronghold in Canada. You will also find great fly fishing opportunities as well. Here in the Harrison River Valley, we are a fishing dream come true! The man in your life deserves the best...and here it is
