Harrison Festival of the Arts...

Music On The Beach

Our Music on the Beach, or our Beach Stage as we sometimes refer to it as, is located right in the middle of town overlooking the lake. When you drive into Harrison on Hot Springs Road, go all the way to the end and you'll see it! Just look for the big white tents!

Shows at the Hall

Every evening of the Festival we have our Hall performances. Again, for a list of what is happening and when, head to our schedule page! These events are ticketed and do come with a cost. Tickets online.

Children's Day - Wed. July 17th

Our very own festival within a festival. We block the road beside the Memorial Hall, put up a bunch of tents, and have a whole bunch of fun games, activities, and performances.

Artisan Market

Between 40 and 50 artisans, from visual art, to jewellery, to pottery and woodworking. The Market only runs on the weekends of the Festival, July 13, 14, 19, 20, and 21st.

Workshops

The Festival has plenty of hands-on workshops! Most of these take place in the Memorial Hall and the cost is only \$2 with the exception of the Indigenous Drum Making. Some other workshops take place at the Ranger Station Art Gallery.
