## Season of the Wild

Tourism Harrison brings you a celebration of the Salmon, the Eagles, and the Sturgeon October 2024- January 2025. Every year between October and January, spawning salmon return to Canada's first certified salmon stronghold, the Harrison River. This ecologically rich river is one of the most protected and productive salmon ecosystems in the world, attracting tens of thousands of wintering bald eagles to the area.

Travel our trails and waterways to witness the raptors feast on the river banks and glide through the waters with our modern-day dinosaurs, the sturgeon.

Explore the self-guided Season of the Wild and participate in our various events and happenings! We invite you to experience the Season of the Wild.
